

Make safety happen.

MISSION:
ZERO

Queen City Autobody, Regina

Safety in the workplace is everyone's business. Safe workplaces are designed – they don't happen by accident. Every workplace injury is predictable and preventable. Even one workplace injury is too many. The only acceptable number is zero.

By working together we can make *Mission: Zero* happen.

Zero injuries. Zero fatalities. Zero suffering.

WorkSafe[™]
SASKATCHEWAN

Work to live.
